

**Memorandum to people who attend activities of  
Association for Educational Project Ltd  
in relation to the outbreak of Coronavirus**

21 August 2020

We would like to inform you that, in conjunction with the Prelature of Opus Dei, it has been agreed to cancel overnight activities at the Study Centres as well as activities organised by Study Centres that would involve an overnight stay at third-party venues. This measure has immediate effect and will remain in place until further notice.

We ask that every Study Centre have a written COVID-Safe plan and that it be lodged with the relevant authorities (if applicable). Please provide a copy of your plan to AEPL's Secretary ([admin@aepl.org.au](mailto:admin@aepl.org.au)).
