

# HEATHGROVE COVID SAFE PLAN

## Six Principles of COVIDsafe Workplaces

As per <https://www.coronavirus.vic.gov.au/six-principles-covidsafe-workplaces>

1

### ENSURE PHYSICAL DISTANCING

- Please stand 1.5 metres apart;
- Abide by the density quotient indicated in room signs

2

### WEAR A MASK

- Always wear a face mask (exceptions apply);
- Follow signs when using the facilities in the centre.

3

### PRACTICE GOOD HYGIENE

- Use disinfectant wipes for high touch-surfaces;
- Wash your hands regularly.

4

### KEEP RECORDS AND ACT QUICKLY

- Register before coming in each time you enter;
- Do not attend the centre if unwell. Get tested and stay home as needed.

5

### AVOID INTERACTIONS IN ENCLOSED SPACES

- Move as much activity outside as possible: courtyard, club area, garage, garden, etc;
- Enhance airflow in all rooms.

6

### CREATE WORKFORCE BUBBLES

- Avoid overlap with other people besides those attending your event at Heathgrove.
